

CHRISTIE MACEY

Custom portraits are fine art for your home. A home that feels like you, like your family, a place that creates memories and has stories to tell.

My goal is to capture the essence of the subject in a modern, yet timeless work of art. Below are current offerings for custom portraits in oil on wood panel. All listings are for single subject. Please reach out to [christie@ctmaceyart.com](mailto:christie@ctmaceyart.com) to discuss your needs and receive a custom quote.
